The battle is on! And Gremlin's new INVINCO puts you right in the middle with exciting new video fun. All the INVINCO action is in thrilling color. Bealistic sounds beighten the excitement with every shot you take and every enemy

warrior you hit. The action is fast-paced, so it's a real test of speed and coordination.
And INVINCO is another game. So it keeps challenging your players'

great Gremlin MultiPhase™ skills as they improve, for replay profits you can count SCORE(1) HI-5CORE SECRE(2

PLAY ACTION

INVINCO begins as you fire at the attacking rows weapon As soon on they break through your delense, you and the enemy are face to face in a roging battle.

Keep firing at the columns of warriors to scoop. And take your best oin at the upper rows of warrious for higher points When you destroy all the time, they'll try to get even

out files their sky chariot,

blosting and no receipe quick enough, you'll hit If you knock out all the enemy troops again, you'll be up appoint two of their destroying all the warriors

a third time brings triple trouble; three sky chartots come out. Siring gway like

Thet's INVINCO . . . fost beyond belief. With action that really hundred Let it
